

"The knowledge and skills I have gained in International Development have prepared me to coordinate emergency health programs in places devastated by natural disasters and conflict. In my current role as Manager of the Diversity and Immigrant Student Support Department at Red River College, many of the principles I learnt at Menno Simons College directly impact how we deliver services and create inclusive learning environments."

Nadia Mahmood, Graduate
Manager, Diversity and Immigrant Student Services
Red River College

International Development Studies Make a Difference

We care about:
Poverty
Social Justice
Inequality
Global Issues
Helping Others
Environmental Sustainability

MENNO SIMONS COLLEGE

Affiliated with The University of Winnipeg

International Development Studies

Are you interested in social justice and world issues?

This program looks at the causes and solutions to poverty through economic, social and political change. You will learn about the connections between sustainable use of the environment, satisfaction of human needs, peace, hope, and structures for just and inclusive decision-making at the local, national and global levels.

Career Possibilities

Graduates find careers in organizations that address human rights, health services, community and economic development, immigrant and refugee settlement, and research and policy development.

Examples of organizations International Development graduates have found employment with include but are not limited to:

- Canadian Red Cross
- United Nations
- Immigrant and Refugee Community Organization of Manitoba (IRCOM)
- Manitoba Hydro
- Canada World Youth

Degree Options

- 3 Year Bachelor of Arts
- 4 Year Bachelor of Arts
- 4 Year Bachelor of Arts Honours

Did You Know
Menno Simons College students have travelled to over 50 countries including Brazil, Ethiopia, India, Cambodia, and Ireland as part of their university program.

Menno Simons College

At Menno Simons College you can make a difference by addressing poverty, inequality, and conflict through studies in International Development and Conflict Resolution.

Students who complete programs at Menno Simons College will graduate with a Bachelor of Arts degree from The University of Winnipeg.

Sample Courses

- African Development Issues
- Crisis, Humanitarian Aid and Development
- Environmental Sustainability: A Global Dilemma
- Conflict and Development Issues in Indigenous Communities

Why Menno Simons College?

Academic Excellence

You will have professors who are committed to living out the values of peacebuilding and social justice, and who have practical experience in international relief and development.

Student Services

You will receive personal assistance from an Academic Advisor and you can apply for additional scholarships and travel bursaries.

MSC Student Association

You will have a voice:

- participate and plan student events
- elect student leaders who will advocate for you
- engage in local and international causes

Practicum

You will gain real life experience in a local or international practicum.

Did You Know

Over 783 million people worldwide do not have access to clean drinking water. This includes people in Manitoba.

Did You Know

Menno Simons College is a centre of excellence for international development studies where visiting scholars, students from other countries, and partnerships with many development agencies contribute to a vibrant, diverse college community.
